

Nova Scotia Gaming is responsible for the conduct and management of the regulated gambling industry. We do this effectively by establishing appropriate strategic goals for our operators and setting performance measures.

Atlantic Lottery's Mandate

Provide safe and responsible lottery products and services and, through that effort, deliver optimized and responsible profits to the shareholders.

Atlantic Lottery - Strategic Direction

The following Strategic Goals are aligned with our mission to offer trusted and entertaining responsible gaming experiences, optimizing the benefits for Nova Scotians:

1. Improve performance of existing business;
2. Advance new business;
3. Lead in responsible gaming; and,
4. Focus on Nova Scotians.

Performance Measures (2021-22)

The following five performance measures are aligned with NSGC’s objectives and strategic goals.

Please note: performance may be impacted by the COVID-19 pandemic, including closures and changes to business practices to meet public health protocols.
